Notes from a meeting with IMBIM's working environment group (AMG)

1. Ann-Marie and Alexandra were **welcomed as new members of AMG**, they together represent B9:3 corridor.
2. **The previous minutes** was followed up.
3. Catharina informed about the **Covid-19 situation** at IMBIM, BMC and UU.

During the pandemic, it's possible to use empty premises at BMC, when needed contact Daniel Skogehall, Intendent/Campus Manager. A11:3 (next to B11:3 corridor) is now open and available to use.

4. **Follow-up problematic cold rooms**; Veronica has collected more information from each corridor and sent it to Daniel Skogehall for further action with Akademiska hus.
5. Eva and Catharina did a **safety inspection** on February 10, Veronica has sent out the minutes to all PI's and AMG. Eva and Veronica will do a **follow-up** after March 19.
6. **Clearance and purging of chemicals 2021**; information and guidelines has been sent out to PI's, for questions, contact chemical representative Eva Andersson.
7. **The work environment plan/arbetsmiljöplan** was updated, Veronica sends out an updated document to the group and publishes it on the website.

By the pen, Veronica
